Ilove where you live.

your town, **your future.**

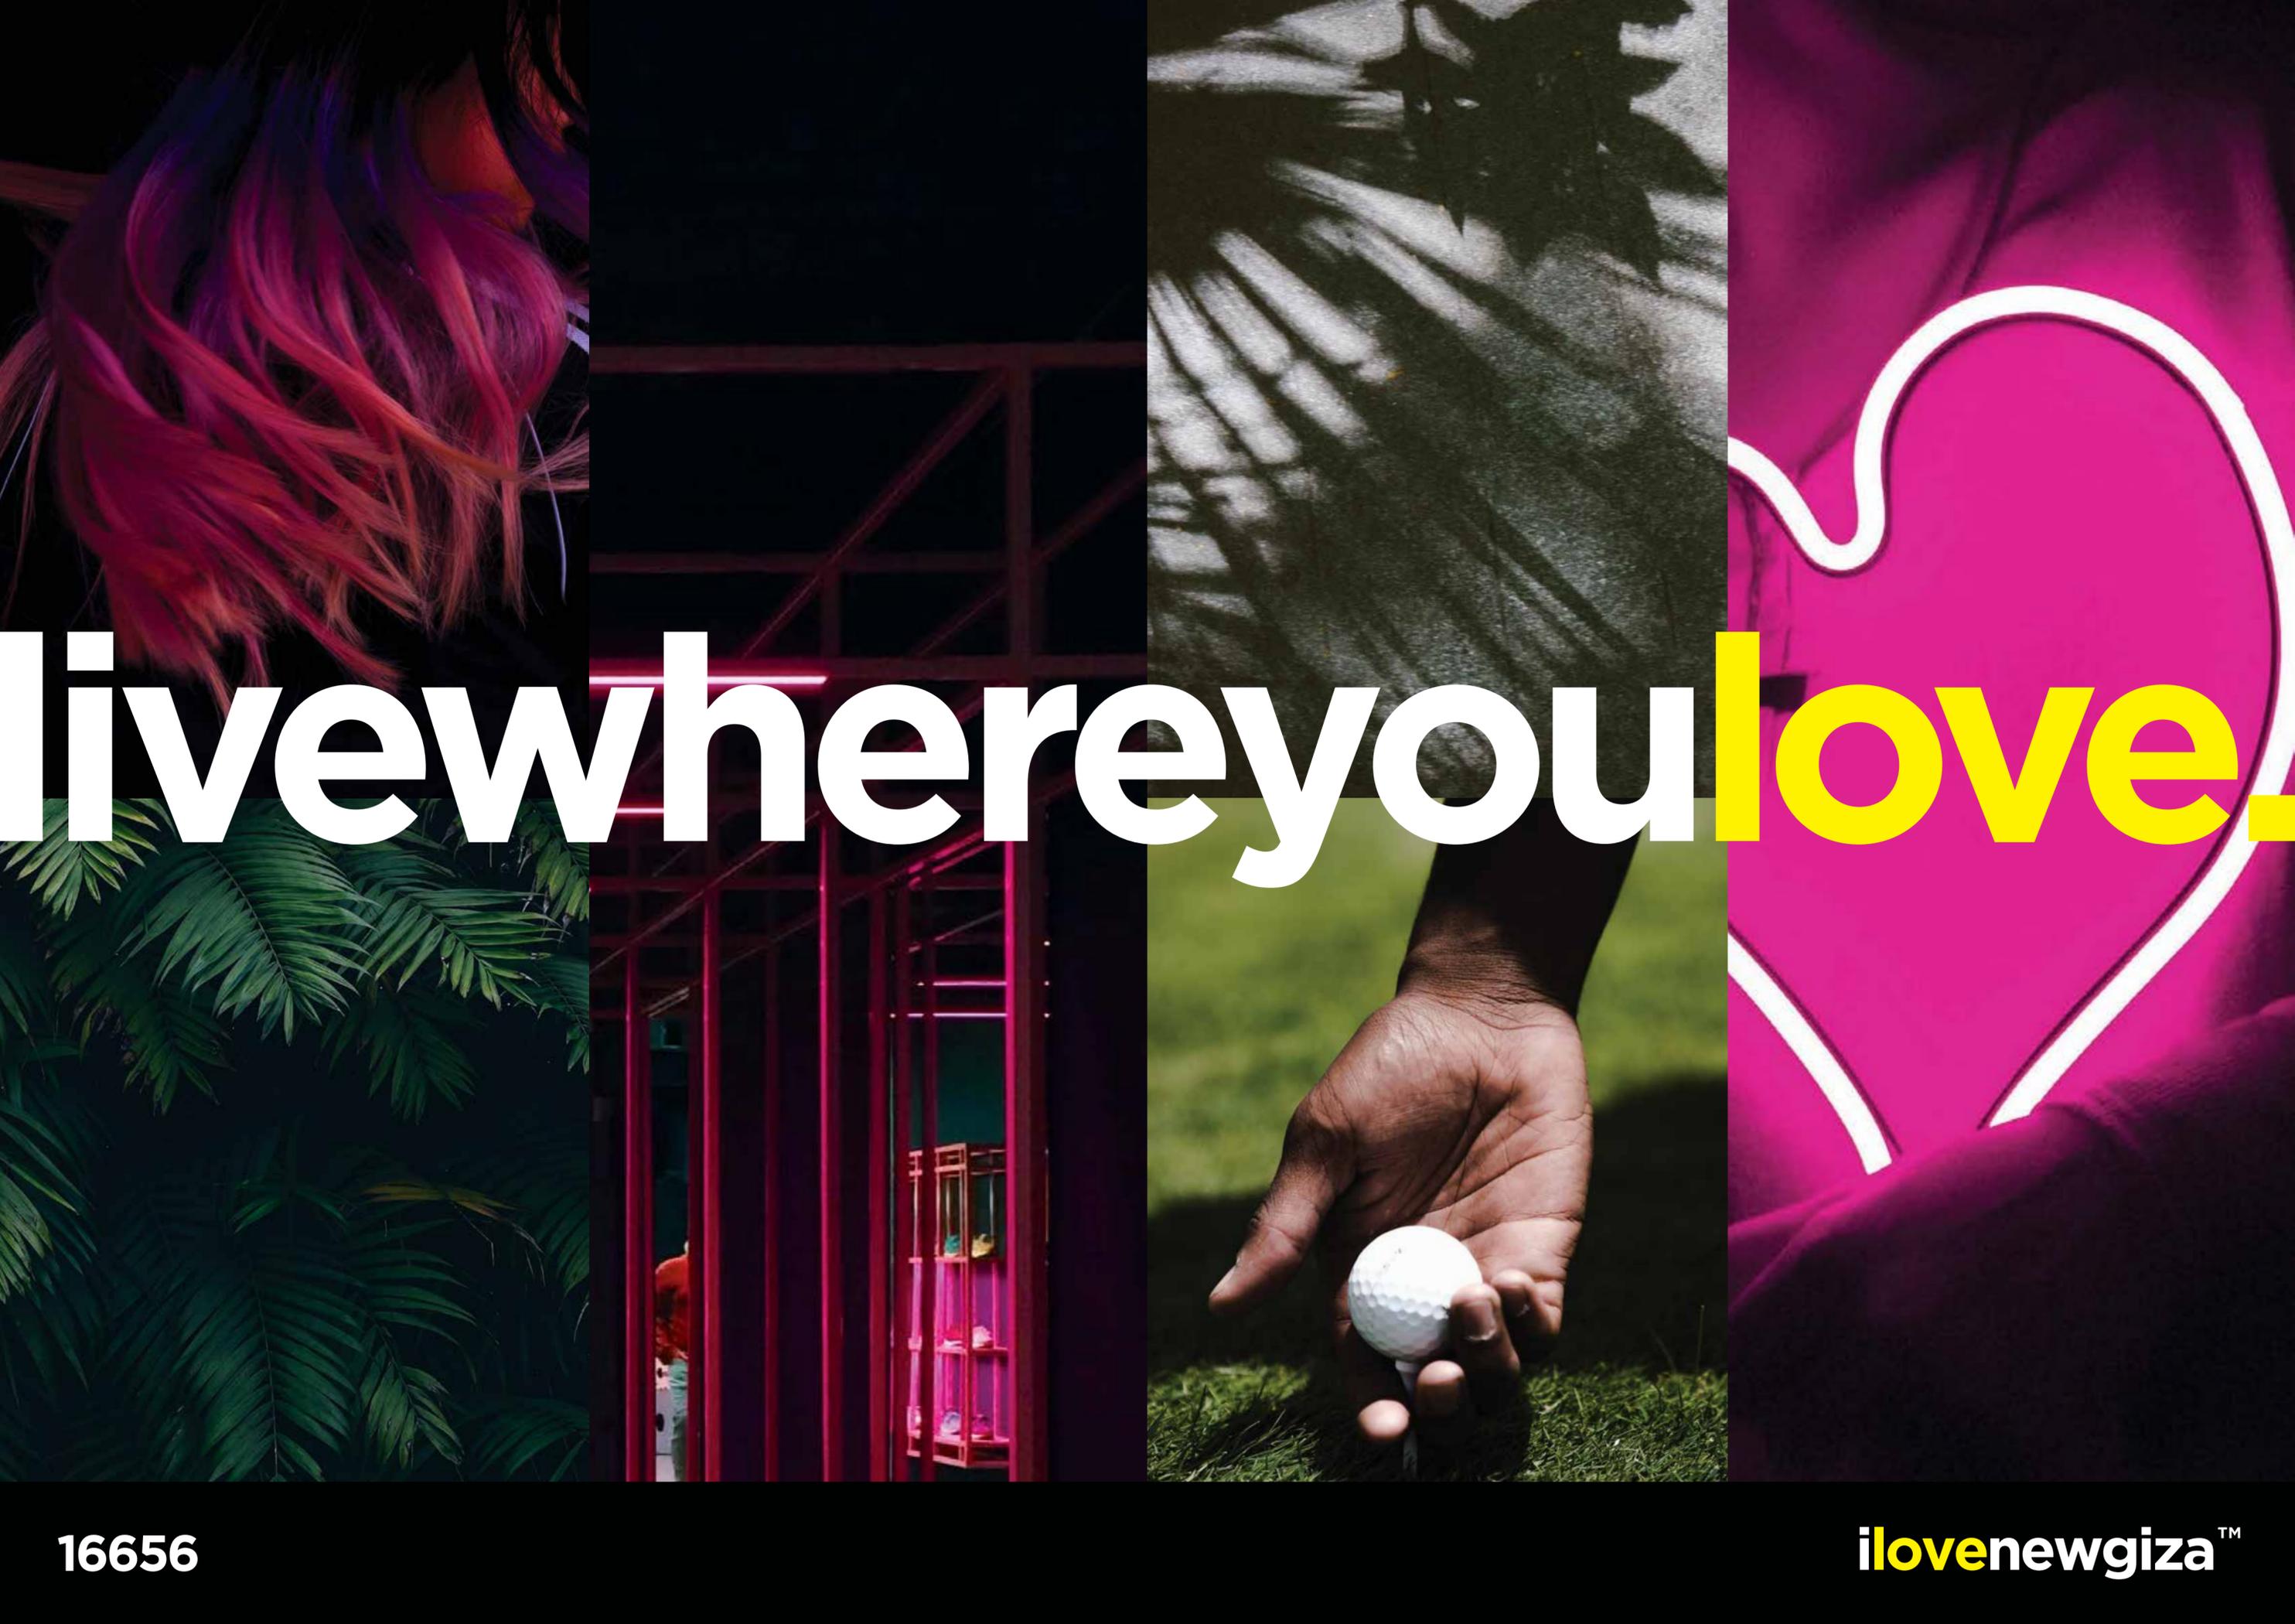

You have arrived to the town that caters to all human experiences. Designed for all tastes and interests, we have redefined all that we've come to know about luxurious ways of living. By thinking ahead, we offer the best of all possible worlds. Your perfect home amidst beautiful landscapes sits in a close-knit community, only minutes away from wide-ranging facilities that meet your daily needs. From your comfortable space and private garden, to your lifetime neighbors and sports academies, living at NEWGIZA brings everything you love right next to you.

lovewhereyoulive

At NEWGIZA, we've designed a life that boasts comfortable and safe living, cares about your mental and physical health, sparks your love to learn, embraces nature, ignites your talents and always keeps you entertained. This is the place where new experiences and memories last a lifetime. This is the place where you can love where you live.

live**whereyoulove**

Your home at NEWGIZA is just a starting point for a lifetime full of possibilities. From there, dynamic human experiences unfold and a love for life grows. Surrounding entertainments, convenient services, luxurious facilities, world class sports, and dynamic human experiences unfold. At NEWGIZA, we build a community where you look forward to each passing day - where you live where you love.

live wherever you love.

unleash human
excellence.

live.

As more homeowners move into NEWGIZA, a community grows with lasting experiences. There, families create a world of lasting memories, friendships live on for futures ahead, and businesses thrive with meaningful innovation. Your town center of human experiences and achievements guarantees a living amidst reality's finest luxuries.

learn.

Welcome to the future of educational enlightenment, where the most advanced and sophisticated learning forms come to life. At this cultured town center, young minds grow into impactful individuals. With a wide range of learning techniques and applied methods, we stimulate the most critical ways of thinking, creative mind sets, and analytic personalities. As internationally acclaimed schools provide the choice between various certifications, Newgiza University inspires unlimited opportunities for futures ahead.

work.

Every business grows from the most dynamic spaces. At NEWGIZA, we've created unique work settings that stimulate creativity, spike growth and unleash excellence. Welcome to NEWGIZA's Business District, where top performances and motivated teams emerge. A space providing unique opportunities for entrepreneurs, tycoons and international platforms to **break** through micro and macro markets. There, the most self-sufficient minds reach deep into the community and enrich the future with brilliant ideas and forward thinking.

play.

Tune into life's finest grandeurs and activate your interests with unlimited potential. Emerge in a town that brings all your aspirations in one place. In many ways, NEWGIZA curates a series of social, recreational, meaningful and futuristic experiences, where each stems from a mixed-use setting. Inspired with a personalized approach, everyone can enjoy a lifestyle where walking, running, biking, playing, and seeking out life's greatest luxuries is an endless possibility.

your home, **your town.**

Your dream of living luxuriously has finally come to being, as 2 out of 10 neighborhoods are now fully functioning and housing more than 300 families into the dynamic town.

CARNELL PARK

RESIDENCES

Carrying the true essence of Ancient Egypt, Carnell Park is named after the Carnelian stone. Its unique design identity can be hardly found elsewhere, reflecting the elusive taste of Carnell Park. With almost 300 families now living in the neighborhood, more and more people are moving in. Designed to bring homeowners closer to extraordinary facilities and serene gardens, four parks surround apartment buildings with breathtaking views of nature. The exterior spaces unfold unparalleled openness; consequently, allowing homeowners to experience a 360-degree lifestyle that connects you to various living choices and fine details.

DISTRICT ONE

Nestled in the heart of NEWGIZA, District One overlooks one of the town's largest parks. Its close-knit, pet-friendly community enjoys surrounding greenery, while living in various types of homes. Having collaborated with Eastwind, Egypt's number one pet service; District One ensures a diverse environment, where pets can run around freely and be taken care of at all times. Offering a wide range of choices, District One accommodates a variety of villas, townhomes, duplexes and mansions. 30 families have already moved into the thriving neighborhood, and many more are on their way.

BRICKLANE

Because we believe that every community is entitled to a world class form of convenience, NEWGIZA has created Bricklane. The town's community center is the center point for everyday convenience, where homeowners can enjoy short trips to the bank, stellar restaurants, helpful service vendors, supermarkets and boutique grocers. Everything you need coexists in this outdoors court, from CIB and Amici restaurant, and many more - all providing you and your family with the lifestyle you deserve.

love wherever you live.

world-class education.

EL ALSSON SCHOOL
Since 1982

El Alsson
British & American
International School
NEWGIZA

NEWGIZA has brought its community closer to world class education, El Alsson British & American School. The private international school offers its students the choice between British and American education. Having moved to its newly established campus at NEWGIZA in 2017, the school now occupies a 14-acre site with British Primary and Secondary joined buildings as well as Elementary and Senior joined buildings. The school is highly reputed as one of the best international schools in Cairo. This is reflected in the quality of its curriculum, extra-curricular activities, sports and artistic achievements, as well as outstanding examination results. The British International School follows the National Curriculum of England, where children take IGCSE/GCSE in Year 11, and AS and A-level exams in Year 12 and 13. The examination results in recent years have been excellent, enabling students to enter prestigious universities in Egypt and abroad. Alternatively, the American International School is available from Preschool - G12, meeting the standards of NCA CASI (The North Central Association Commission on Accreditation and School Improvement). The curriculum and supporting programs are balanced and cater to the academic, social and emotional needs of children. Our High School program also offers students the choice of many electives and Advanced Placement courses (AP), enabling students to enter prestigious universities in Egypt and abroad. El Alsson, NEWGIZA welcomes prospective parents who are interested in applying for academic year 2018-2019 for their 3 to 4 year old children, or transferring their older children from other schools.

Enseignement français de la maternelle à la terminale

Lycée Albert Camus School adopts the French program under the auspices of the French Ministry of Education, while respecting the guidelines of the Egyptian Ministry of Education. The acclaimed school hosts students of all nationalities from Pre-KG to Grade 12 (petite section à la terminale) and eventually prepares them to receive the French Baccalaureate, which is a degree recognized by all universities worldwide. The school is proud to host a team of highly qualified and experienced academic and administration staff, offering its young ones the chance to ignite their talents and expand their minds.

Evolution International School
NEWGIZA

Evolution International School (EIS) is NEWGIZA's newest and upcoming school, opening from kindergarten to grade 8. It is set to offer IGCSE and IB Diploma in the future, to ensure that students are fully prepared for university and beyond. Teachers at EIS will be completely qualified with teaching certificates from the UK or equivalent. The school aims to be the first fully accredited Montessori AMI School in Egypt for its kindergarten program. Accordingly, EIS aspires to be the first school in Egypt to be accredited by Thinking Schools International in conjunction with the University of Essex (UK).

NGU.

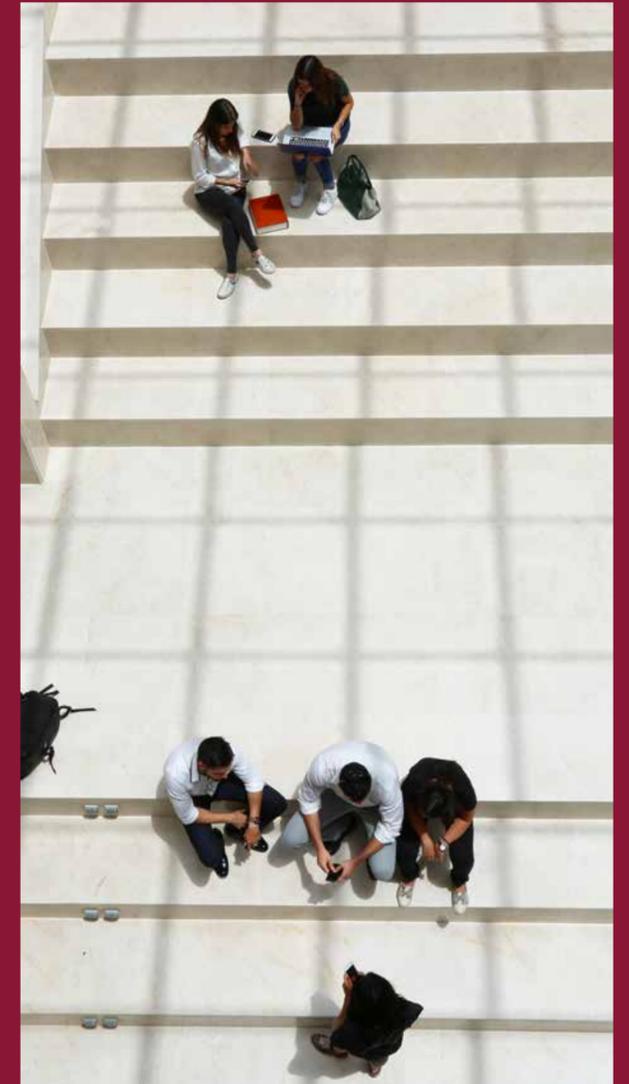

Newgiza University (NGU) is a multidisciplinary private university in Cairo, Egypt. Located on the legendary Giza Plateau, mere minutes from the Great Pyramids, NGU was founded with the objective of providing a world-class university education to students locally, regionally and internationally. Opening a wide range of faculties from Medicine and Pharmacy, to Dentistry, Business and Finance; NGU is the stepping stone for thriving careers ahead.

NGU welcomed its first class of students in September 2016 at its campus in the heart of NEWGIZA Town. The university education will be marked by a strong focus on academic excellence and practical knowledge, spearheaded by an unrivalled teaching staff and partnerships with some of the most renowned universities around the world. Its ongoing collaborations with worldwide ranked academic institutions has secured its growing reputation as a professional institute of higher education.

The university has significantly collaborated with University College of London (UCL), subsequently focusing on the School of Health Sciences and enhancing its academic capabilities. While offering world renowned undergraduate programs, it also provides both faculty and students ample opportunities for growth on both an academic and personal level.

NGU has also signed a five-year academic collaboration agreement with King's College, to create and deliver world class degrees. Accordingly, the university will welcome senior staff and faculty from King's College Business School to work with NGU colleagues in the university's strategic planning as well as the organization and governance of the new business programs.

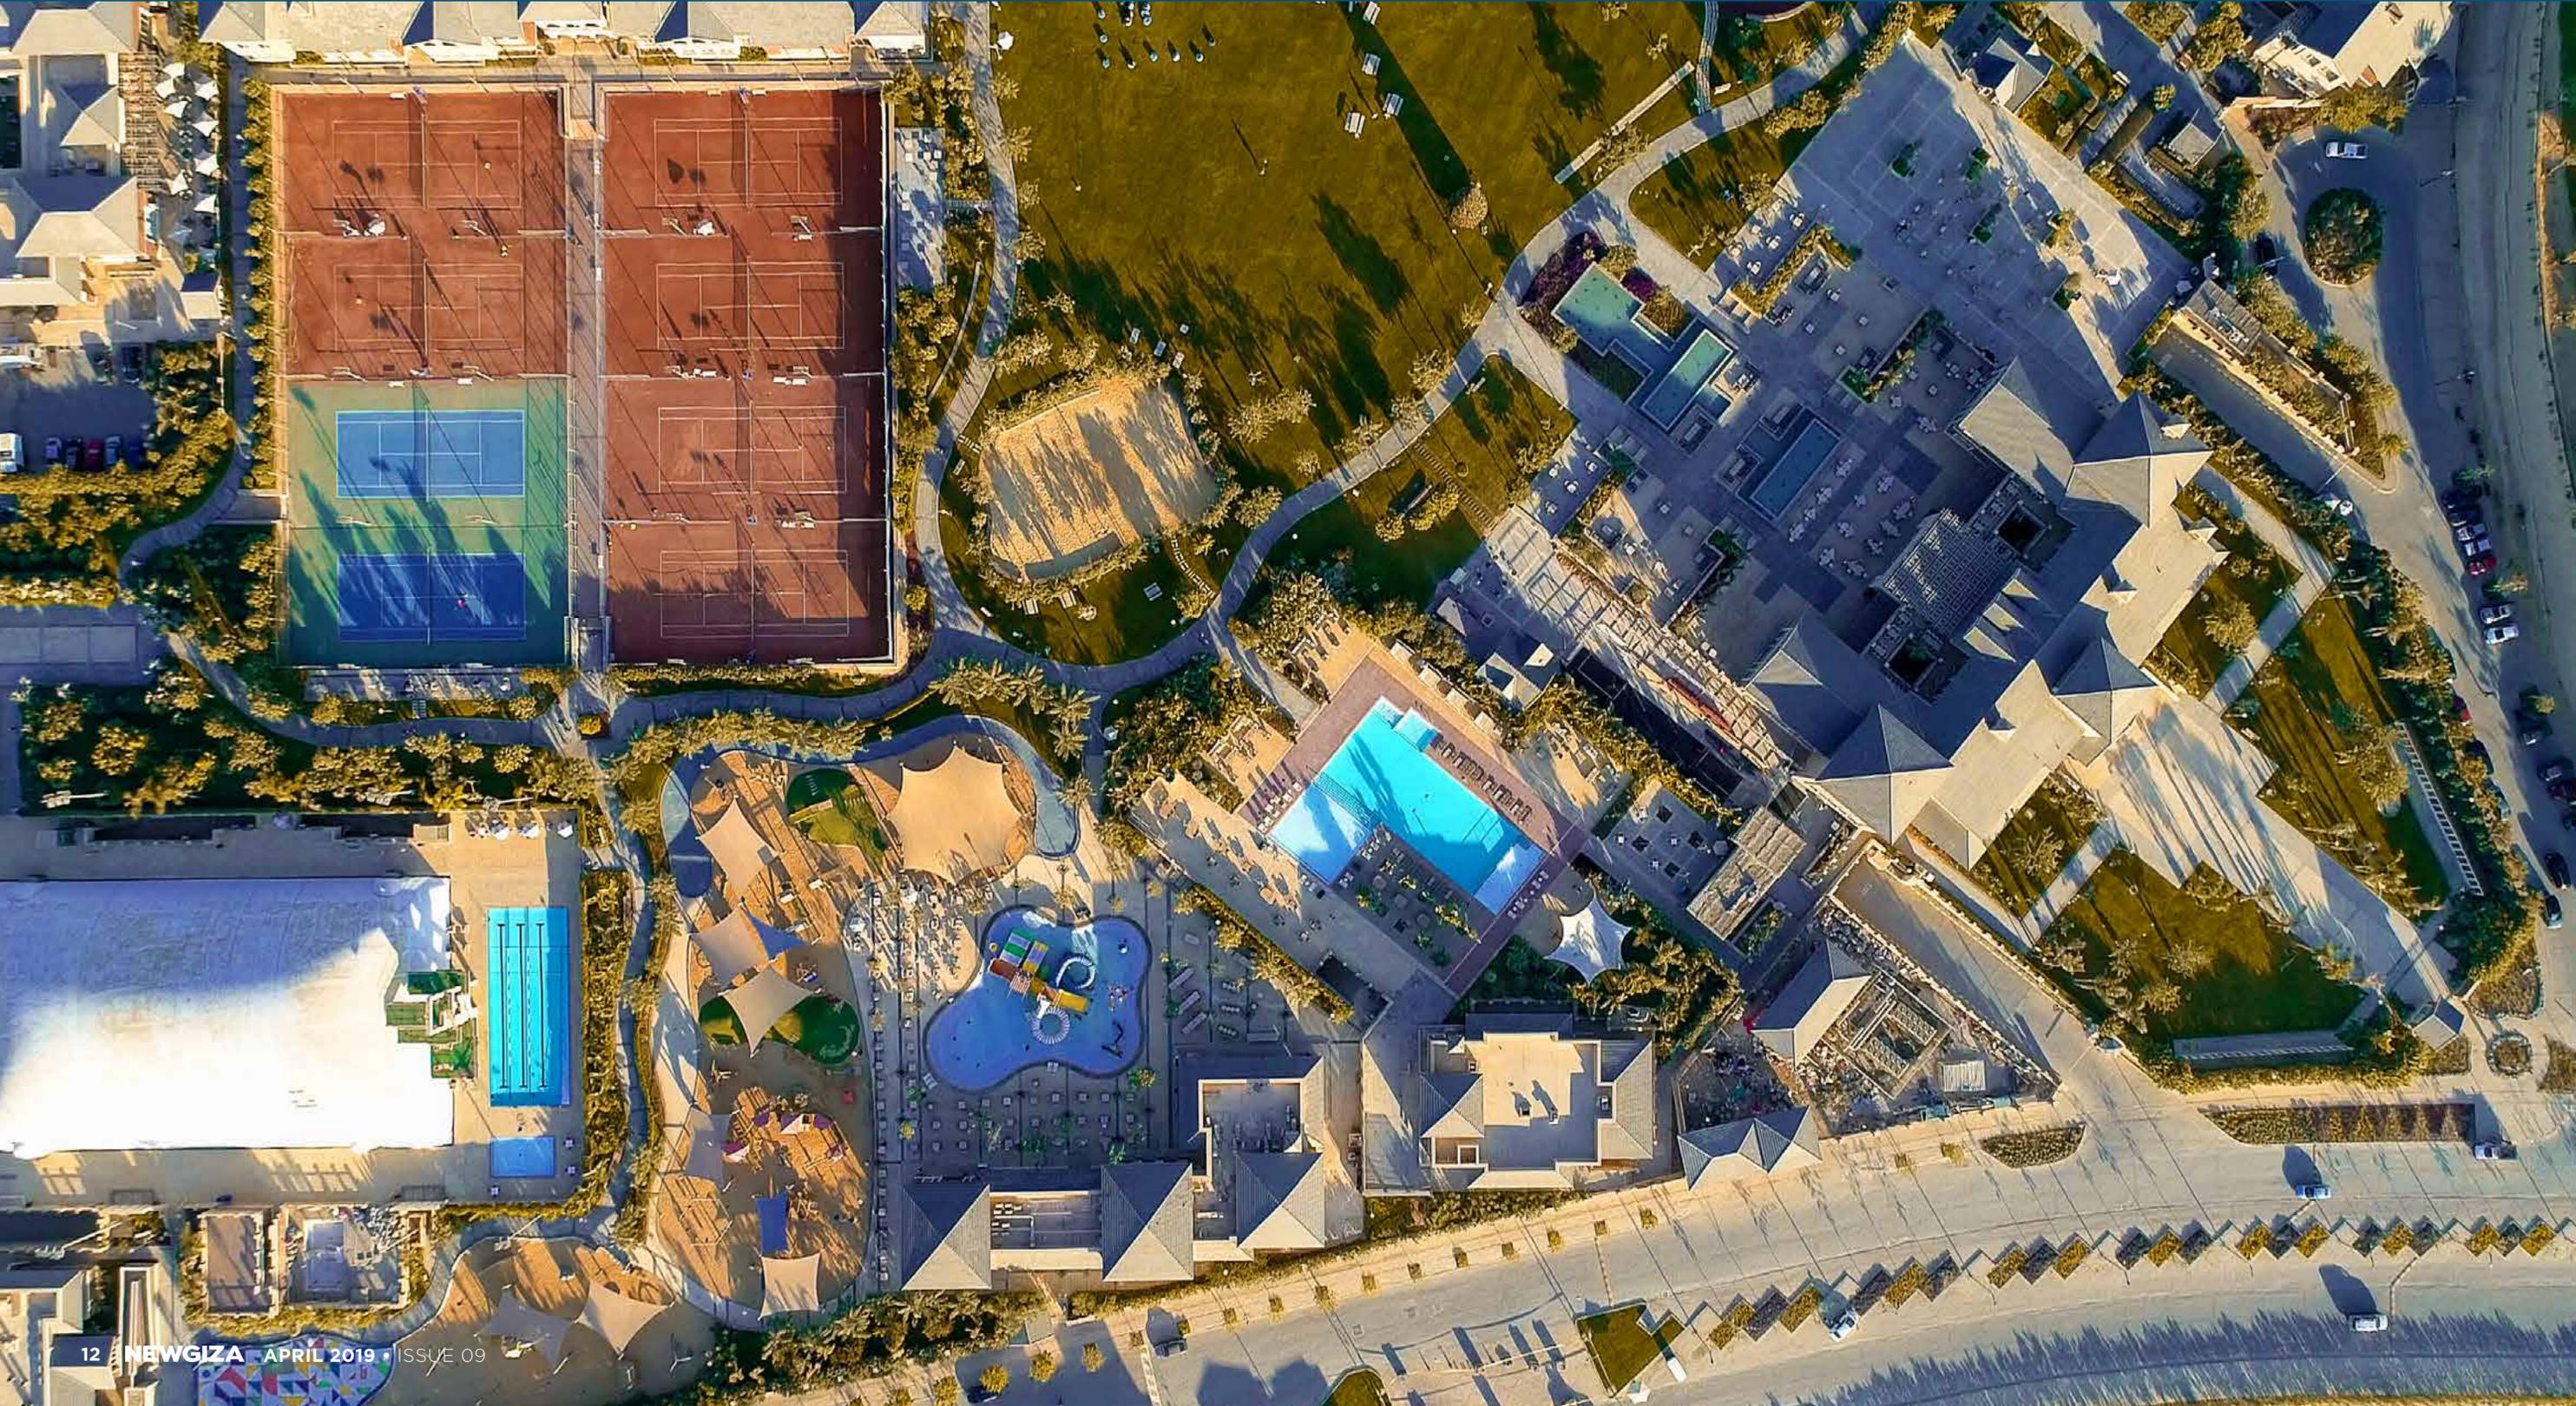

NOTHING GREATER

Catered to its community's physical, social and mental health, Newgiza Sports Club (NGSC) goes beyond international standards. A world class soccer field, a running track, squash courts, and official clay and hard tennis courts, are all run by expert coaches and certified global academies. As well, a state-of-the-art gym accommodates universal fitness icons and for the adrenaline-seeking youngsters, NGSC boasts a rollerblading and skateboarding area with well-crafted slopes and challenging slants. Its vibrant community center also offers exciting activities that cater to wide-ranging interests. There, families, friends and fitness lovers can hang out in a beautiful picnic area amidst the club's evergreen square, the Greenheart Park. Alternatively, children can enjoy their time at Playside's fully-furnished play area.

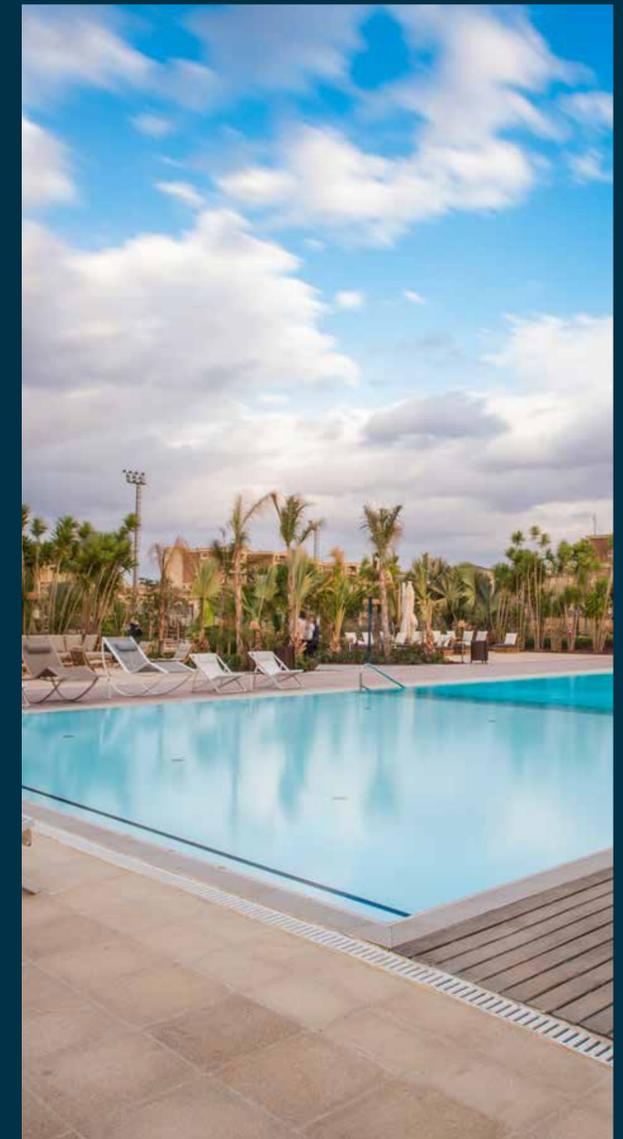

LEO'S
TERRACE

Leo's Lodge is the yearlong gathering hub for club members. Boasting a wide range of indoor and outdoor luxuries, it is the perfect setting for all age groups. It offers a summer-friendly spacious resting area at The Great Salon, and also provides a warm shelter at the Winter Salon, which accommodates a built-in fireplace and a cozy ambiance. As an ideal setting for relaxation Leo's Lodge also brings the most infusing flavors and creative dishes at its restaurant, Leo's Terrace. As well, the all-seasons den is an entertainment hub, gathering its members in an indoor cinema, a bridge room and an expansive outdoor tea garden. A convenient conference room further provides space for productivity, where businesses and quick meetings can thrive. At Leo's Lodge, we invite you to enjoy your time with friends, families and business partners.

Leo's Terrace is always keen in providing an exceptional dining experience for its members. Besides catering seasonal and occasional specials to its guests, it presents an assorted buffet every Friday and Saturday from 3 pm to 8 pm, and offers a unique Teppanyaki experience on Saturdays from 3 pm to 8 pm. Moreover, the restaurant has launched its delivery service to NEWGIZA homeowners.

For orders, please contact Leo's Lodge at: 01207778741

Unwind and relax at Blue, where a leisure pool and a deck area invite utmost tranquility. Whether you decide to swim in the pool or take a dip in the Jacuzzi, the warm water and massage machines will work together to relieve your stress and clear your mind. Surrounding the pool, a deck welcomes you to soak in the sun on your chaise lounges, while indulging in delicious burgers or pizzas. For those who would prefer to shelter away from the summer sun or winter rains, a shaded patio serves this possibility. At NGSC, Blue is the perfect outdoor destination, offering unbounded leisure and recreation.

PLAY SIDE

NGSC accommodates the biggest play area in the 6th of October district and West Cairo. Playside, a world-leading brand for playgrounds, water structures and birthday areas, offers whole new levels of fun and entertainment for children. There, all sorts of birthday and seasonal celebrations as well as educational programs come together, to offer young ones a chance to embrace lifetime memories, unforgettable celebrations, and stimulating environments, where they can flourish, develop and power through as champions of their upcoming century.

UNLEASH YOUR TASTE BUDS!

CLUBBER
burger

CFOOD

seven
pizza & pasta

Unleash your Taste Buds at Seven, Clubber and CFood. The wait is finally over. NGSC has introduced three food kiosks, to satisfy your cravings and cater the best get together meals. From Seven's cheese-topped and sauce-filled pizzas and pastas, to Clubber's scrumptious burgers, and CFood's fresh sea food plates; NGSC offers limitless food fiestas for your taste buds.

We will be delivering soon to NEWGIZA homeowners.

SPORTS

WORLD CLASS TRAINING

Driven by its vision to offering luxurious lifestyles, NGSC offers notable attention to its sports training standards and facilities. Aiming to become a first-class athletic destination, NGSC has partnered with international academies and brought the most celebrated coaches in the field.

Synchronized Swimming: INSYNC envisions leading a team into becoming one of the finalists in the Olympic Games and World Championships for Synchronized Swimming. The Academy firmly believes that this can only be achieved by maximizing 'technique-based training' in order to give the swimmers a strong base that will achieve long term progress. By building a strong basis for young athletes, the Academy enables them to compete professionally on local and international levels. This will be done through a program focusing on the development of skills, which will equip them to perform drills, figures or movements on a practical level, rather than focusing on teaching the drill or figure only theoretically.

Age level: Juniors and youth
Training level: Beginners, intermediates and professionals

AQUAFIT

AquaFit aims to deliver safe, effective and fun float fit classes to the highest standards using our boards and innovative products. The AquaFit is a tough inflatable base that floats on water, making excellent use of its natural resistance, to stimulate improvements in core muscle tone and strength. Classes utilize the natural fluidity of water, to challenge the body's proprioceptors and give a new, different aspect to even the most traditional of exercises. AquaFit is a 45-minute revolutionary, low impact class with a mix of HIIT and yoga style movements. This includes isometric, isotonic and plyometric strength and endurance exercises as well as flexibility training. All exercises can be modified to suit different levels of fitness and experience. Yoga and Pilates inspired AquaFit Classes are also available.

Age level: Juniors, youth and adults

Training level: Beginners, intermediates and professionals

NGSC Archery Academy's vision is to be the Premier Archery Academy in the Middle East and Africa, by continuously growing the Archery sport, and supporting the advancement and enjoyment of archery, both as a competitive sport and a way of life. NGSC Archery Academy is the first of its kind in the country, managed by the top Archers in Egyptian history. After a long journey of success in Nationals, Internationals, African, Arab and Olympics records, the Academy now aims to share its experience and develop new talents, to become the leading archers in Egypt and conquer the game on national, Arab, African and International levels.

Age level: Juniors, youth and adults
Training level: Beginners

THE TRI FACTORY

Triathlon: TriFactory envisions training athletes of all ages, to become the best triathletes they can be, and at the same time, help them get fitter and faster. The TriFactory's signature Triathlon Training Program (TTP) first began in 2013 as a six-week program, to prepare athletes for the ITU World Triathlon Series in London. Since then, it has evolved to train athletes for a wide variety of endurance sports and races, and has seen hundreds of athletes successfully cross finish lines all over the world. The program at Newgiza Sports Club (NGSC) began in September 2018, preparing athletes for upcoming events. At NGSC, athletes swim, bike and run six out of seven days a week. The NGSC Triathlon Team consists of young athletes (U10), all the way up to athletes in their 40s and 50s who are either trying the sport of triathlon for the first time or are veteran triathletes preparing for their next race. Although all team members train together every day, TTP also offers a ladies-only swim session. The program is tailored for all ages and abilities, and is managed by expert coaches, all of whom are triathlon champions themselves.

Age level: Juniors, youth and adults
Training level: Beginners, intermediates and professionals

BOOST

Having a vision to build a swimming community in Egypt that is not only made up of professional swimmers but also encourages athletes from different sports backgrounds to put swimming in their weekly program, BOOST Swimming Academy provides sessions for adults in all levels. The Academy teaches swimming from scratch to beginners, works on stroke techniques for intermediate swimmers, provides specific program workouts for professionals, and offers swimming programs as physiotherapy treatments for shoulder, back and knee injuries.

Age level: Adults (25 and above)
Training level: Beginners, intermediates and professionals

Premier Ballet Academy has a vision to build quality dancers, by offering high quality standards and trainings, in order to contribute to the development of Egyptian Ballet and to expand the international exposure of Egyptian students. Established in 2016 by the first dancers of the Cairo Opera Ballet Company, Ahmed Yehia and Anja Ahcin, the Academy is the first to follow the International Ballet School System, offering a full professional education and program that is essential for developing children into ballet dancers. The school program is divided into 2 learning sections; pre ballet and ballet school, serving levels from the age of 3 to 7 and onwards.

Age level: Juniors, youth and adults
Training level: Beginners, intermediates, professionals and late beginners

VICTORIES

WATER BALLET

NGSC's Synchronized Swimming Academy, INSYNC, has proudly participated in numerous competitions and won several medals. Six synchronized swimmers won medals in the 'Egypt National Under 8' Competition, with Nermeen Fadel coming in second place last year on the 23rd of November. Additionally, nine swimmers earned medals in the 'Egypt National Under 10 Competition', also with Nermeen Fadel in third place in the team routine. The Academy also took pride in Talia Hammad, who won the 'Achievement Award', and Malak El Waziry, who won the Appreciation Award, both for their outstanding performances.

GYMNASTICS

Eight players from the Gymnastics Grace Academy won gold medals during the National Zone Rhythmic Tournament 2017/2018. Further, ten other players were awarded gold medals during the National Artistic-Rhythmic 2018/2019.

JUDO

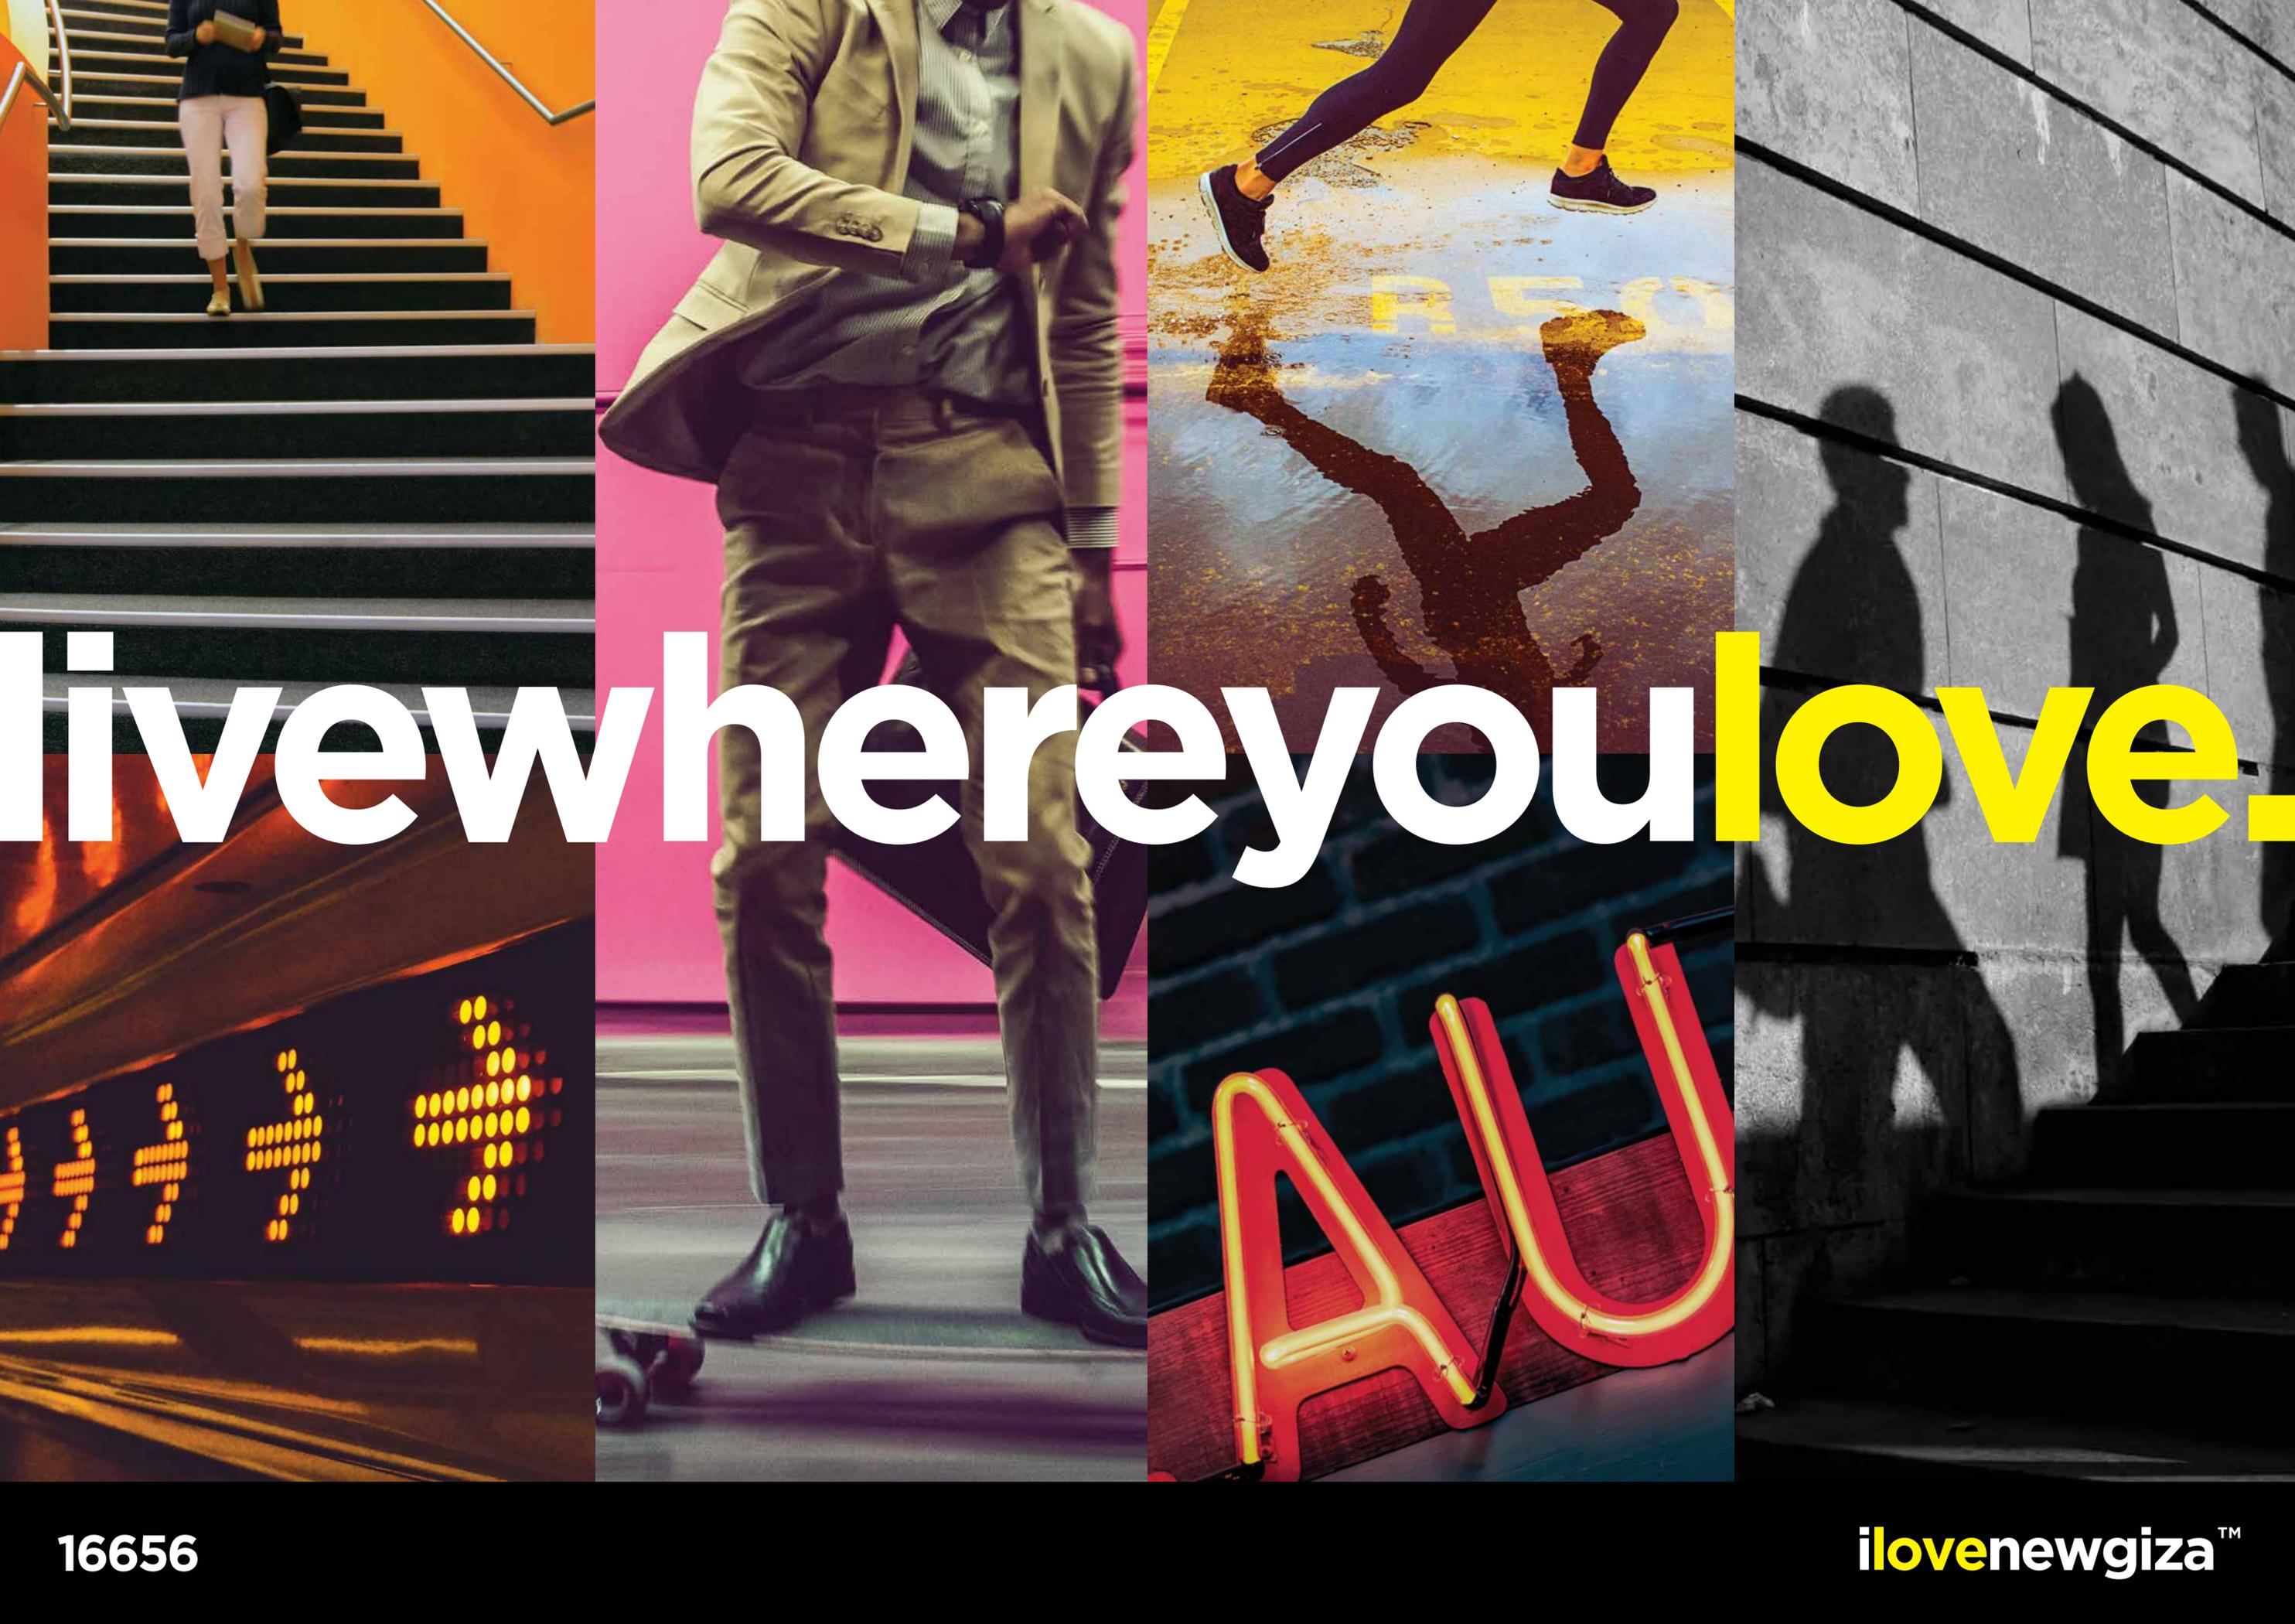

On the 24th of June 2018, IPPON Judo Academy's 18 players successfully won the gold medals in the National Tournament for "Kata" Under 8 and Under 12 Years.

TRIA-THALON

Four players from NGSC's Traithlon Training Program participated in Sahl Hasheesh's Endurance Festival last November the 21st, 2018. The contestants showed great commitment throughout the event making the club proud of their performance.

live wherever you love.

newgiza golf course.

NEWGIZA has officially opened its 18-hole Golf Course. Designed by award-winning Thomson, Perret and Lobb, the course seamlessly melds natural terrains into an inspiring environment for all players, professionals and amateurs alike. Its exclusive and strategic design offers multiple teeing areas that challenge the seasoned professionals, all the while allowing grassroots beginners to enjoy easier rounds. Teeing off with view of the Great Pyramids of Giza is no longer a dream. As a particularly exquisite touch, a 4 km walkway surround the course, encouraging people to walk for health and leisure.

newgiza healthpark

Welcome to the Future of Healthcare.

NEWGIZA presents the latest healthcare destination. With a strategic location spanning 120,000 sqm, the Healthpark welcomes the community to experience state-of-the-art facilities, cutting-edge technology, progressive infrastructure and full handicapped facilities. Newgiza Healthpark brings together highly dedicated cardiology, oncology, and neurology centers as well as specialty clinics in one proximate area. With unrivaled standards, Newgiza Healthpark ultimately sets out to be Egypt's next generation of medical solutions, where world-class care and development aim to elevate human lives.

Our Vision

To lead the evolution of healthcare, to enable every member of the communities we serve to enjoy a better, healthier life.

Our Mission

To enhance lives and preserve health by enabling access to a comprehensive, fully integrated network of the highest quality and most affordable care, delivered with kindness, integrity and respect.

Central Location

Newgiza Healthpark is strategically located in the capital's most central destination, NEWGIZA. Leveraging on vast green and pollution-free landscapes, the premier healthcare center points soars in a sustainable environment, suitable for world-class human care.

High-End Architecture

Designed to meet its community's future healthcare needs, Newgiza Healthpark employs comprehensive layouts and inspiring spaces for its next generation of medical care by offering unlimited privacy and comfort. While its healing environments are designed in harmony with its settings, a respectful medical center offers sustainable facilities that optimize functionality, as well as ICT support and flexible infrastructure that adapt to its patients' conditions. At Newgiza Healthpark, the constant design, renovation and preservation of healthcare sets out to create excellent human experiences for futures to come.

World Class Facilities

Integrating and elevating healthcare experiences.

State-of-the-Art Hospital

Newgiza Healthpark has magnified its focus on the development of healthcare. Located in NEWGIZA, the state-of-the-art private hospital is an optimal center point with the most proficient doctors, well-trained nurses and medical professionals.

The private hospital is designed to provide patient-centric healthcare from one integrated focal point. We ensure a personalized experience in nurturing surroundings. The Hospital's wide-range of clinical services boast a -24hour Emergency Department, staffed with qualified medical experts and nurses.

Holistic Wellness Center

The Wellness Center at Newgiza Healthpark is designed with a holistic approach, to heal you from the inside out. The soothing space offers a highly trained team of healers, certified nutritionists, massage therapists and mind-body specialists, who provide personalized focus and well-rounded treatments for patients and visitors alike.

Private Clinics Coming to Life

Launching its state-of-the-art clinics, Newgiza Healthpark brings together proficient healthcare experts, doctors and nurses in a patient-centric and environmentally-friendly center point.

always **safe.**

Ruling out safety and security is not an option at NEWGIZA. NEWGIZA focuses on the importance of security and privacy in everyday living. The town is intelligently designed to provide maximized security for homeowners, by being fully equipped with the latest closed-circuit television (CCTV) cameras, and 24-hour monitoring and surveillance technologies; therefore, ensuring your safety and wellbeing all year long.

world class **infrastructure.**

powerful electrical supply.

Ensuring that the community grows with the most reliable and comfortable experiences, NEWGIZA features an efficient electrical power plant, which works as an interconnected transmission line, serving the whole town and its facilities. The power plant plans to extend its reach beyond NEWGIZA's borders to supply the surrounding areas. The substation complies entirely with EETC requirements and delivers with absolute security to its emerging community.

yearlong drinkable water.

NEWGIZA treats your drinking water with exceptionally high quality wastewater treatment plants. The drinking water site is situated in a strategic location inside the town, to serve the whole community. While its capacity serves as high as 15,000 m³/day, it is ingeniously designed to accommodate to the community's growth all year long. The drinking water facility ensures treating water under shifting local climate conditions, while avoiding odors and producing low volumes of sludge.

excellent gas capacity.

Gas is significant in NEWGIZA's unfolding master plan. The town has invested in serving the community with a sufficient gas network. The gas supply comes from a main station located at its northern perimeter, holding a capacity of 50,00 m³. On the other hand, the internal networks are designed to hold a pressure of 7 bar; ultimately, delivering excellent lifestyle standards.

latest events.

mouled el nabawi celebration

On the 21st of November, 2018, NEWGIZA celebrated Mouled El Nabawi, by creating a memorable event for everyone. Many Mouled El Nabawi games and treats took place, offering an exciting round of festivities for families, friends and children all day long.

a special dog's day at newgiza

As part of the town's continuous efforts to providing a substantial human experience, NEWGIZA has partnered with the number one pet service in Egypt, Eastwind. The company is renowned for its special dog care services, delivering a wide variety of needs for pet owners throughout the year. A soft opening took place on the morning of January 19th, 2019, with a memorable Dog Day event. NEWGIZA's neighborhood, District One, hosted 'Dog Day' in partnership with Eastwind. A full one-day schedule proved to be entertaining as well as useful for pet owners and their furry friends. The first half of the day focused on providing outdoor instructions, by veterans and expert trainers, on the best ways pet owners and children should treat, handle and walk their dogs, as well as take care of their dogs' health. The second half of the day tailored pet bonding activities, where the pet owners participated in games, photoshoots, a fashion show, and free dog examinations to determine the most suitable trainings needed, as well as free cleaning for their eyes & ears and hair brushing services.

**For more information about Eastwind's dog services,
please contact:**

Tel: 01111506999 / 01115049999, every day except Fridays
from 9:00 am to 5:00 pm
E-mail: wnw@2ewk.com
Eastwind Service Working Hours: Daily from 8:00 am to 8:00 pm.

orphans day, fun for everyone

Driven by our aspiration to give back to the society, NEWGIZA hosted its very own "Orphan's Day" last April the 7th, 2019. This time, it chose Newgiza University (NGU) to focus on celebrating life with orphans across various orphanages. Many employees of NEWGIZA and NGU Students were invited to play with the orphans and offer gifts, amidst a full round of entertainments, including Muppet Shows, group games, and arts and crafts.

halloween carnival

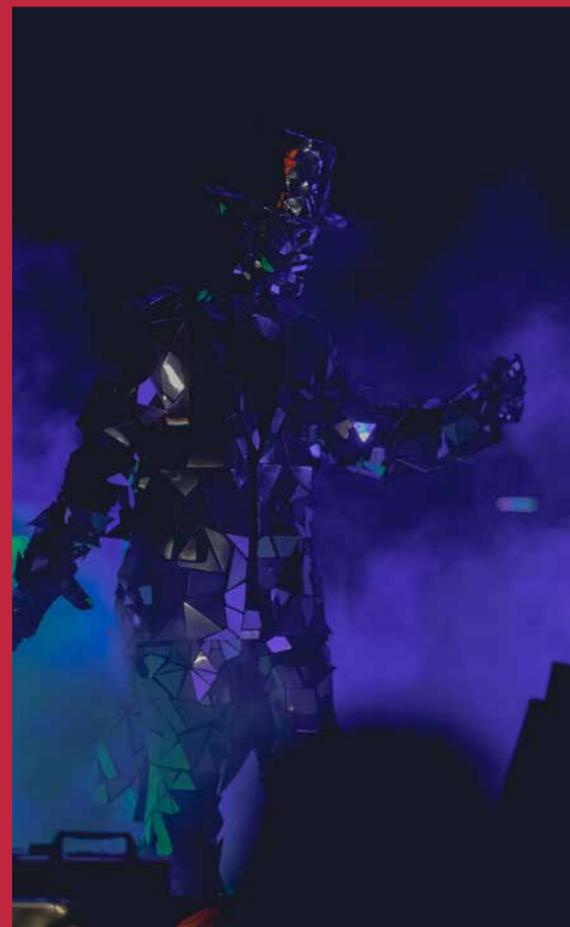

Trick or treat? NEWGIZA was sure to bring the most sought after tricks and treats of Halloween to town. Last October the 28th, 2018, marked a successful event, making people crave for more. Interesting costumes and spooky vibes as well as a gory menu brought people together in one frightening celebration to remember.

NEWGIZA WONDERLAND

Since the outstanding breakthrough of its first Christmas Wonderland in 2017, NEWGIZA carried the magnificent holiday spirit into 2018. Last Christmas, NEWGIZA's Winter Wonderland surprised everyone again with a total of 10,000 attendees who all enjoyed an upgrade of their favorite holiday festivities. The event lasted from the 31st of November 2018 till the 7th of January 2019, and brought everyone together during the weekends in NGSC's Greenheart Park. Offering a new addition of fun activities compared to last year's, NEWGIZA Wonderland sparked with a Christmas carnival and exciting arcades. Its signature fireworks lit up the sky as families were greeted by Santa, Disney and Marvel characters. Even more, the celebrations welcomed a wide range of musical performances and entertainments, including Cinemania, funky disco days, Christmas shopping, Toyota test drives, movie nights, face painting, magic balloons, and much more; promising families, friends and children an unforgettable Christmas.

Golf Course Soft Opening

NEWGIZA's Golf Course hosted its Soft Opening last November the 2nd, 2018 from 8:30 am to 4:00 pm. The event invited 108 golf players, to tee off in the 18-hole Thomson, Perret and Lobb course. The Golf Clubhouse is now open and operational for all those wishing to join.

The Annual Golf Diplomatic Tournament Takes Place for the Second Time

After its first successful golf tournament taking place at the 18-hole golf course, NEWGIZA Golf Club has collaborated with Los Amigos to host its 2nd Annual Diplomat Golf Tournament. On the 15th of December 2019, the event offered a splendid tour of the course's world class facilities and strategic design, successfully lasting from 10 am to 4 pm.

spotted in the news.

Enhancing Maintenance, Facility Management & Smart City Operations

After months of hard work and research, NEWGIZA has chosen ROSMIMAN® IWMS system to control its maintenance, facility management and smart cities operations.

Throughout its expansion, the integrated town was searching for a reliable system that can handle its all-day, everyday maintenance activities and facility management operations, in term of hard and software services. Accordingly, ROSMIMAN® IWMS Global Site was able to meet its expectations, by offering a solution that includes a specialized notification portal and a smart mobility application. The application will easily facilitate all preventive and corrective maintenance tasks carried on by internal technicians, engineers and service providers.

The new platform aims to help NEWGIZA use its time and money efficiently, as well as improve interaction between the maintenance team and end-users. Subsequently, the project is being executed in collaboration with ESG (Engineering Systems Group), our official partner in Egypt and a renowned multi-disciplinary engineering and management company. Before 2020, NEWGIZA plans to complete phase two of the project, which involves the integration with smart systems, meters, Cisco call system and SAP ERP.

About ROSMIMAN® IWMS Global Site

With more than 20 years of experience in developing IT software systems for Maintenance and Facility management, ROSMIMAN® IWMS Global Site has earned its reputation as the leading provider of comprehensive Asset Management platforms for the Spanish Smart Cities. During the past years, the company has extended its reach from the nationwide Spanish public sector to over 500 companies in 16 countries, covering the most advanced, relevant and significant projects. Based on its impressive history and cutting-edge services, NEWGIZA looks forward to establishing first-class solutions for its residents in the near future.

TedXNGU, Transforming the Collective Future

Newgiza University (NGU) hosted TEDXNGU at its premises, inviting a select number of students, professors and professionals from various fields and disciplines. The theme of the event was entitled "Diversion". Its core topics sprung aimed to spread the thought and concept of pivotal moments and decisions, which cause us - as a community or individuals - to turnover or transform a reality we live in. Whether it is a small-scale transformation, such as an individual's career or a broader shift, such as remodeling one's life goals or inducing change in several area in our community; the event affirms the idea of creating and building things in any form to the further betterment of our society.

TEDXNGU welcomed a number of achieved speakers, including Ali Ismail, Hoda Dahroug, Hisham Kharma, Essam Youssef, Khalil Abdel Khalek, Fatma Ghaly, Nora Shawky, Sherif Hakky, Mostafa Kandil, Moshira Khatab and Tamer Mostafa. Each speaker was able to spread and discuss the notion of 'Diversion' among its Egyptian community and potentially drive its participants into creatively improving their collective futures.

NGU Hosts its First Scientific Meeting in 2019

NEWGIZA University's (NGU) School of Medicine hosted their first Scientific Meeting of 2019 on the 19th of January 2019, with an event entitled 'Orthopedic Updates'. The one-day event was part of the school's 'Meet the Experts' series and brought together leading orthopedic specialists and surgeons, while providing an interactive platform for various figures from the Egyptian orthopedic community.

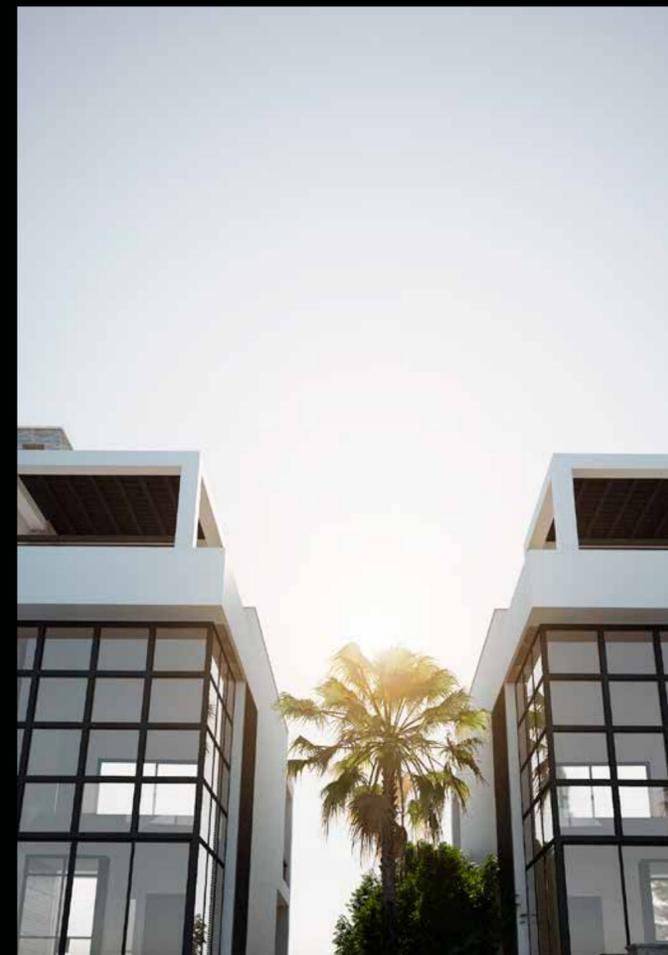

The event received significant media coverage from Egyptian news outlets, such as Sada El Balad, Al Nahar, CBC Extra, Al-Masry Al-Youm and Yom7. Many interviews took place with the international guests flying in from France, as well as NGU's President Dr. Sameh Farid.

The Scientific Meeting was attended by renowned international guest faculty, including Prof. Thierry Judet, Professor of Orthopedic and Trauma Surgery at Paris University since 1985; Prof. Catonne Yves, Consultant in the Orthopedic Department at Pitie Salpetriere Hospital in Paris; Prof. Christophe Mathoulin, lecturer for university degrees in hand surgery and microsurgery in France and abroad; Prof. Philippe Valenti, The president of the French Society of Shoulder and Elbow (SOFEC) and Vice President of the French Academy of Orthopedic and Traumatology (AOT); and finally, Prof. Alain Gilbert, the former internal and head of the clinic of the Faculty of Medicine in Paris, and Associate Professor at the Faculty of Medicine Saint Antoine, as well as the former president of the French Society of hand surgery and the European Federation of hand surgery societies.
